REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The art of record considered as a whole, lone or in combination, neither anticipates nor renders obvious an articulating pusher assembly comprising in combination:

an articulating pusher for engaging a nail loaded into the nail loading assembly; an adapter pivotally coupled with the articulating pusher, wherein the adapter guides the articulating pusher; a casing coupled with the adapter, wherein the casing is slidably coupled with the nail loading assembly; a spool assembly coupled with the casing and the nail loading assembly, wherein the spool assembly enables the movement of the casing within the nail loading assembly, and wherein the articulating pusher is enabled to pivot to fully engage the nail.

The art of record considered as a whole, lone or in combination, neither anticipates nor renders obvious an articulating pusher assembly comprising in combination: means for coupling with the nail loading assembly; means for engaging a nail within the nail loading assembly coupled with the means for coupling with the nail loading assembly, wherein the means for coupling with the nail loading assembly is a casing coupled with a spool assembly wherein the spool assembly also is coupled with the nail loading assembly and the casing further rotationally coupled with an adapter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
